The New Yorker A Wyndham Hotel, New York Airport Hotel By The New Yorker, Cologne
The New Yorker Hotel, Cologne
The calendar tool is now easier than ever to navigate. Simply select the check-in and check-out dates and the total length of stay will be highlighted in blue!

Specify your room requirements in the handy drop down. Clicking on the blue bar at the bottom allows you to add additional rooms, and you can remove rooms by clicking the blue button on the left hand side. Simply enter the number of adults and children, including the ages of any children on the booking.

Get to your desired result faster than ever, with the improved advanced filters. Sort by maximum price per night with the slider on the left. Specify the star rating by clicking the individual ratings. Selecting three stars will show all 3 and 3.5 star properties. You can select multiple star ratings if you wish to view a range. Enter the name of a specific hotel, or hotel chain, and filter by hotel, apartment or all properties with the drop-down on the right side. Select specific facilities, or available areas if you wish to further refine your search. Finally, selecting ‘Reset Filters’ below the search button will return all search results.
At Excite Holidays, we strive to keep pushing our technology forward, and this exciting new stage of our platform has been built to ensure your booking experience with us is as efficient as possible. This guide will walk you through some of the new features that you can expect with the change.

Our new activity search function has been built to provide you with a better search experience, ensuring results are served faster, and specific activities and tours are easier than ever to find and book. You can now search by a specific activity name or keyword, in addition to destination results. Filters are improved, results update in real time, and the pages look better than ever. These are just a few of the new features that are available with activity search, so jump online at www.exciteholidays.com and try it out for yourself!

ACTIVITY SEARCH BAR

1. Search by destination or specific activity name.
2. Results will populate in real time, with most popular searches appearing at the top. Select the destination to be taken to a search results page, or the specific activity name to be taken to the activity page.

3. Adjust your level of commission using the FlexiComm slider.

4. Press search when you are ready.

5. Your results will appear in the grid below the search bar. It will show all available options for that destination.
You can further refine your results in a number of ways:

6. Filter by ‘Max Price’ using the slider on the left.
7. Filter by keyword or activity name using the text field on the right. Results will update in real time. To return to all results, simply clear the text.
8. You can also filter by preset activity types. Simply select the drop down menu titled ‘Categories’ located below the text field. You can select multiple categories at once. Just click them again to remove.
9. Click ‘clear’ on the right to remove any selected categories or text filters.
10. Sort by rating or price using the drop down menu.

11. Click on ‘Book Now’ to be taken to the activity page. Key information such as from price, rating and duration can be conveniently found on the preview, without having to go to the specific activity page. The heart rating is a new feature that aggregates the tour or activity rating based on reviews from previous participants.
**Harry Potter Film Locations Walking Tour**

**London**

Explore the magic behind the world’s most famous wizard with this unique walking tour that will leave you spell-bound!

**What You Can Expect**

The Harry Potter books and film series have enthralled and captivated the world - now you can follow in the footsteps of the world’s most famous wizard and take a magical journey throughout London with this Harry Potter themed walking tour. Your expert guide will take you on a

12. On the activity page, detailed information can be found on the left hand side.
13. To book, first select the date from the calendar tool. Dates will appear grey if the tour or activity does not run on that particular day.
14. Select the number of people in each age bracket you wish to book for.
15. Click ‘Check Availability’ to see pricing and availability for that activity or tour.

16. Click on the price to book and hold that activity or tour.
What You Can Expect
The Harry Potter books and film series have enthralled and captivated the world - now you can follow in the footsteps of the world’s most famous wizard and take a magical journey throughout London with this Harry Potter themed walking tour. Your expert guide will take you on a spellbinding tour of the city to show you the exact locations where Harry filmed key scenes of this epic tale. Starting at Westminster, you’ll make your way to the Ministry of Magic; find the entrance to the ‘Leaky Cauldron before taking a walk down the real ‘Diagon Alley’; then stand in the very spot where the Death Eaters destroyed the famous Millennium Bridge. You’ll not only see the locations where the films were shot, you’ll discover the magic behind locations such as Cecil and Goodwin Courts, and how these enchanting locations provided the inspiration for this wizarding adventure to behold. Your tour will conclude at Platform 9 ¾ - where you can try and make your own way to Hogwarts!

17. Double check the details before you book by clicking the 'Show Summary' button at the bottom of the page.

18. Click 'Proceed' when you are ready to book.

19. Enter the names and ages of all participants.

20. Enter your reference number if required for your records.
21. Some tours require additional information. This will be entered under ‘Special Questions’ on the booking page.

22. Click ‘Proceed’ at the bottom of the page to complete your booking.
