THE NEW SANDALS® OCHI BEACH RESORT
OCHO RIOS, JAMAICA

THE PLACE TO BE
AND
BE
SEEN
No place embodies the soul of Jamaica like Ocho Rios. Wrapped in the lush beauty of rolling mountains, meandering rivers, cascading waterfalls, and a picture-perfect coastline, Ochi—as “those in the know” call it—inspires those who seek out its adventurous spirit and chic attitude. The new Sandals Ochi is the essence of cool Caribbean, and it’s your starting point for the ultimate escape. This exciting new resort is the most happening place and it is happening now.
There really are two sides to every story. This new all-inclusive resort has a hot new beach club, 11 bars—including the Caribbean’s first Speakeasy—and 16 totally on-trend restaurants. It’s exciting and it’s happening—but only when you want it to be. Because the other side of Sandals Ochi Beach Resort offers unsurpassed privacy when you want a more serene escape. Discover true romance spanning over a hundred acres of lush tropical gardens, and the elite All-Butler Village—the epitome of privacy.
Fringed by a lush landscape, the aptly named Honeymoon Beach is considered to be the best beach in all of Ochi. And the most coveted stretch of this prestigious coastline is home to the new Sandals Ochi Beach Resort. Known for its crystal-clear turquoise waters calmed by the protective reef just offshore, its tranquil currents make it perfect for leisurely swims, boating, snorkeling, or simply listening to the soft waves lap against the powder-soft white sand beach. Whether you’re on your honeymoon or just feel like you are, Honeymoon Beach will bring out the romance in the two of you.
The pools of Sandals Ochi are as varied in style as they are stylish in appearance. There are 105 in all—from an ocean-size zero-entry pool with a towering swim-up bar to one that cascades down three levels with a firepit heating up its sexiness. For a more intimate experience, indulge in the privacy of one of our 98 villa pools.
The trendiest beach club is Sandals Ochi Beach Club, just south of South Beach. This brand-new concept in the Caribbean brings a fresh, modern vibe to these island shores. It’s a luxurious playground with an abundance of outdoor spaces that redefine this stretch of the Caribbean Riviera. The music beats to its own rhythm, led by the master DJ. The vibe changes by the hour, and you can dance to the music or let the party come to you in your private cabana bed. It’s trendy by day, the hottest outdoor lounge at night. So forget about South Beach. It’s now all about Sandals Ochi Beach Club.
It’s never the same ol’, same ol’ here, where every day brings a different atmosphere to the party. Ride the mechanical bull and join in a line dance at a real country Ho’Down—Jamaican style. Live life in technicolor at our beach J’ouvert party—a Carnival tradition throughout the Caribbean. The drinks and the music are totally retro on Throwback Thursday, but the energy is new and sizzling. And every night when the sun sets, the reset button is hit for a totally different groove. That’s how we party at the Ochi Beach Club.

Sandals Ochi is a distinctive fusion of the French Riviera with all its savoir faire and the laid-back rhythms of a Jamaican beach resort. Maybe that’s why so many world travelers have flocked to this coveted stretch of coastline known as the Caribbean Riviera. With its crisp white and French blue appointments and totally in vogue offerings, nobody has captured this unique ambience quite like Sandals Ochi. Everything has been designed to face the sea—or to rise above it. Every view is composed of blue skies and turquoise waters, and every day is filled with music and laughter.
No other resort brings you closer to the water’s edge than Sandals Ochi, and everything in the Riviera Village has been designed to bring the outside in. Ocean Beach Bar, where shoes are entirely optional—and who needs them anyway, because you can wade right into the water with your drink. Sundowner Bar, the chicest oceanfront rooftop lounge where the firepits are hot and the mojitos are chilled. But the new Sandals Ochi is also about the lushness, and it surrounds you everywhere—in flowering gardens with babbling brooks, and koi-filled ponds with firepits to add the perfect reflection. And when you combine the soul of the Riviera and the heart of Ochi, pure romance is created.

Nothing could be more Caribbean than dining outdoors beneath a flawless sunlit sky, beside a brilliant turquoise sea, or underneath a blanket of stars. We’ve created outdoor dining experiences that inspire awe—from a cliff-side terrace, by the pool, on a pier, or even directly on the beach. Because when you’re located in paradise, you want to experience all its flavors, just as nature intended.
the benchmark of culinary excellence

Along the shores of this Jamaican paradise the scintillating flavors of the Far East are found. As chic and as sophisticated as any restaurant in New York or Tokyo— but with an unbelievable ocean view — Kimonos combines extraordinary cuisine with ebullient showmanship. Gather around the Teppanyaki table for a dazzling display of culinary theatrics by chefs who create tantalizing treats right before your eyes. Next door, Soy offers sumptuously prepared sushi in an equally stylish yet decidedly subdued setting. Every morsel will take you on a sensory voyage that’s a little bit exotic, and entirely, deliciously memorable.

Savor the fresh Mediterranean cuisine of Neptunes, set directly on the beach, or succulent seafood served directly over the water at Kelly’s Dockside. Hearty Italian fare is served with a Caribbean view and a touch of romance at Valentino’s, while cuisine worthy of a Parisian bistro is found at Le Gourmand. For a more casual dining experience, grab a made-to-order crisp gourmet pizza at one of two pizzerias, or Spanish tapas right along the water’s edge. Indulge in a whole new culinary adventure, 24/7, all included.
