## TOP REASONS TO FLY SOUTH AFRICAN AIRWAYS

It's easy to see why we consistently win awards as Africa's #1 airline. Our convenient daily non-stop departures from New York (JFK) and our daily direct service from Washington (Dulles) make us the first choice to South Africa. But our pride is best experienced in our award-winning in-flight service – it truly brings home why South African Airways is the very best airline to Africa.

## REASON 1

### Daily Non-Stop Flights

South African Airways is the only airline with daily non-stop flights to Johannesburg from New York (JFK) and to Dakar from Washington, D.C. (Dulles).

## REASON 2

### Fastest Way To More Of Africa

Our morning departure from New York (JFK) allows for easy same-day connections to more than 20 cities in Africa, thereby avoiding an overnight stay in Johannesburg.

## REASON 3

### Most Extensive Route Network Within South Africa

With convenient connections to over 25 major African cities, no other airline comes close to having a regional network equal in scope to ours.

## REASON 4

### New Terminal In Johannesburg

SAA has consolidated all of our domestic and international operations into one terminal at O.R. Tambo International Airport in Johannesburg. As a result, flight check-in and connections are easier between all flights, including South African Airways Express and South African Airlink.

## REASON 5

### Next Generation Aircraft

We have one of the youngest fleets in the sky, featuring the latest 4-engine Airbus A340-600 series for intercontinental flights as well as Boeing 737-800 and Airbus A319 aircraft for internal segments.

## REASON 7

### The Most Comfortable Premium Business Class Bed

Our 180° lie-flat seat with a 73" pitch makes it the flat-out choice for discerning global flyers.

## REASON 6

### Over 75 Years Experience

We've been a major player in long-haul flying for over 75 years. South African Airways continues to be highly regarded in the aviation industry for its excellent service and safety record.

## REASON 8

### The Most Legroom in Economy

When flying thousands of miles, we know every inch makes a difference. Our passengers can enjoy the most legroom (34") in economy, as well as a complimentary amenities kit.

## REASON 9

### On-Demand In-Flight Entertainment in Every Seat

In both Premium Business and Economy, passengers enjoy audio - and video-on-demand, with the latest movies, tv shows, short programs, games and music.

## REASON 11

### Best Wine Cellar In The Sky

South Africa is as famous for its wines as its wildlife. The airline is proud to serve a specially chosen selection of the country's finest vintages on its flights to and from North America.

## REASON 10

### Award-Winning Airline

For 14 years in a row, we have been voted Best Airline in and out of Africa by OAG. We've also won some of Skytrax's most prestigious awards, including Best Airline to Africa, Best Business Class Seat and Best Cabin Crew.
