The Chobe

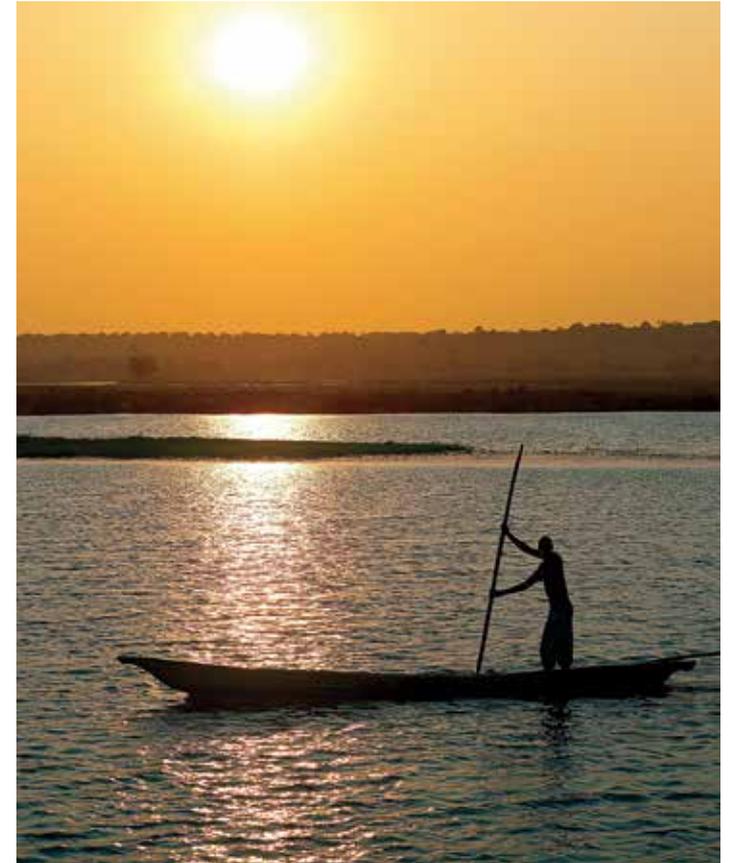

A verdant lifeline through the game-rich
'Four Corners' region of southern Africa.

AFRICA'S GENTLE GIANTS ARE FREQUENT
VISITORS TO THE LIFE-SUSTAINING CHOBE RIVER

THE CHOBE RIVER

This scenic and important waterway, only 50 miles from Victoria Falls, forms the northern boundary of Chobe National Park. It passes through the game-rich 'Four Corners' region where Namibia, Zambia, Botswana and Zimbabwe all meet and is home to nearly 500 species of birds and the largest concentration of elephants in Africa. Legendary explorer David Livingstone visited here in the 1850s, as have countless safari-goers ever since.

Today, the river is a rich haven for wildlife, particularly during the dry season from late March through mid-November, when the water farther inland is scarce. However, animal viewing is great year-round. There is much to see along the reed-lined banks of the Chobe - lions, jackals, leopards, hyenas, giraffes, crocodiles, monkeys, baboons, kudu and impalas. And surely few travel experiences can compare to personally witnessing a herd of elephants drinking at the water's edge, or the turbulent froth that arises as hundreds of buffalo plunge across the river, or the sight of a hippo, its massive jaws stretching wide in a contented yawn. If you're lucky, you might even catch a glimpse of the Puku Antelope - the Chobe River is the only part of Botswana where this extremely rare animal can be seen.

Adventure seekers will find a treasure trove of natural wonders along Africa's scenic rivers.

Victoria Falls

One of the Seven Natural Wonders of the World, Victoria Falls is a must-see.

THE PICTURESQUE VICTORIA FALLS
FROM ONE OF SIXTEEN VIEWPOINTS

VICTORIA FALLS

Justifiably recognized as one of the Seven Natural Wonders of the World, Victoria Falls is truly wondrous and breathtaking, a marvel of Mother Nature that must be seen in person to fully appreciate. This massive cataract creates a mighty roar as it plummets 338 feet into the gorge below, kicking up a heavy mist visible from 40 miles away. The sound is so tremendous that the African name for the falls is Mosi-oa-Tunya – literally, “the smoke that thunders.” British explorer David Livingstone, the first European to set eyes on the falls in 1855, was so awe-struck by the spectacular sight that he named them in honor of his queen. The falls are a mile wide, spanning the entire breadth of the Zambezi River. In Livingstone’s words, “on sights as beautiful as this, angels in their flight must have gazed.”

Forming the border between Zimbabwe and Zambia, Victoria Falls and its surrounding national parks is home to sizeable populations of elephants, buffalo giraffes and zebras. Vervet monkeys and baboons are common. The Zambezi River above the falls contains large populations of hippopotamus and crocodiles. The area’s surrounding vegetation is woodland savannah with the most notable exception being the unique rainforest immediately adjacent to the “curtain of falling water” that is nurtured by the spray generated by the falls. Rare flora for the area grow here including ebony, pod mahogany, and ivory and date palms.

Enjoy a variety of activities during your stay in Victoria Falls, including a ride in a historic steam train and a sunset river cruise.

The Ship

Drift along the Chobe River aboard this serene 'floating lodge,' an ideal vantage point for observing wildlife.

THE ELEGANT AND ECO-FRIENDLY ZAMBEZI QUEEN

ZAMBEZI QUEEN

The bright and airy 28-passenger Zambezi Queen was specifically designed for African river safaris on Botswana's Chobe River. From the ship you are likely to observe elephants, hippos and crocodiles, as well as flocks of birds and other wildlife gathering along the shoreline to drink.

Aboard the Zambezi Queen, enjoy modern accommodations, delicious cuisine and an excellent vantage point for observing the surrounding wildlife. The ship's top deck features an enclosed air-conditioned dining room, lounge and bar, plus an open-air pool deck for relaxing, taking a refreshing dip, or 360-degree game watching. And there's nothing like falling asleep to the sounds of Africa, as cool evening breezes drift through the open doors of your private balcony.

Unlike a typical river cruise that travels from one port to the next, the Zambezi Queen was designed for an entirely different purpose – to facilitate optimal game viewing. As this sophisticated floating lodge leisurely drifts along a short stretch of the river, animals perceive no threat and come to the water to drink and bathe. This affords an amazingly up-close view and a once-in-a-lifetime experience.

You will also have opportunities to explore the wonders of Chobe National Park, home to lions, giraffes, zebras and an incredible spectrum of other animals. Daily excursions in open-air vehicles or in smaller boats or barges allow for breathtakingly close views of animals in their natural habitat.

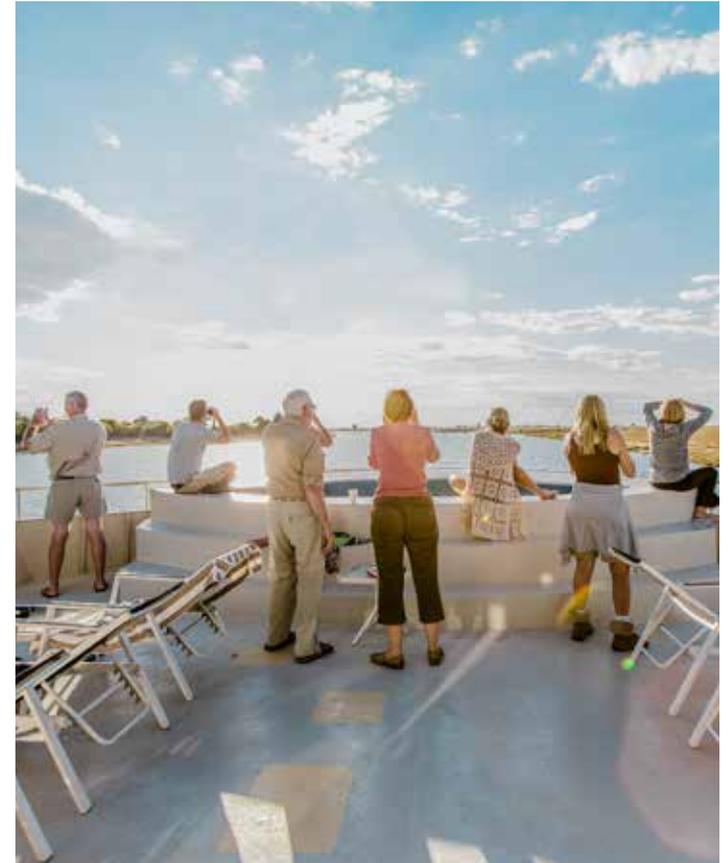

Other unique highlights of this once-in-a-lifetime itinerary include a visit to a village for a friendly encounter with the local community, an African themed dinner with music and dancers in native costumes, fishing and bird-watching expeditions and an exclusive picnic in Chobe National Park.

AFRICAN FISH EAGLE

THE PERFECT VANTAGE FOR BIRDCATCHERS

The Chobe River is a key source of water for the region, attracting wildlife from many miles away. Home to nearly 500 species of birds, the area provides superb bird-watching and spectacular aquatic scenery. By day, observe birds from the vantage point of your ship or in small expedition boats. At night, fall asleep to the distinctive sounds of the Chobe's incredible winged wildlife.

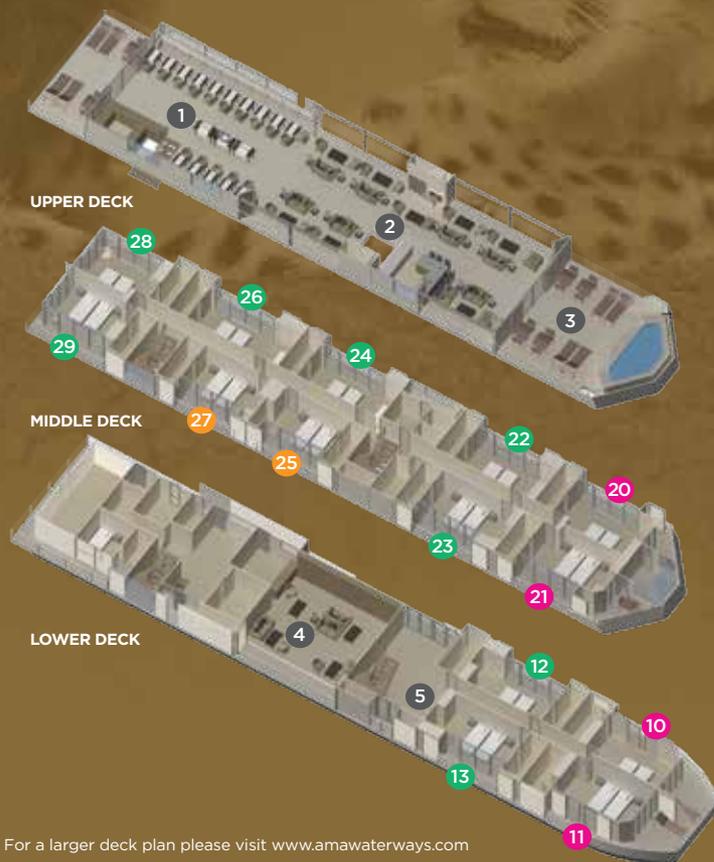

Miles removed from modern-day civilization, the Zambezi Queen provides an oasis of comfort and convenience.

ZAMBEZI QUEEN

The Zambezi Queen is an environmentally responsible “eco-ship.” Instead of a conventional propeller system, it uses a water jet propulsion system that causes no damage to the river bed. Only the latest fuel-efficient and low-emission generators are used during daylight hours; at night, the ship operates on battery power. Hot water is provided by a solar heating system, energy-saving lights are installed throughout the vessel, and sinks and showers have water-saving features. Also of note – the ship boasts an onboard state-of-the-art water purification plant, rendering it clean, clear, and perfectly suitable for showers and tap water (the plunge pool, too). All cleaning products used on board are biodegradable and pose no harm to wildlife. Air conditioning is featured on the upper deck and in all suites.

The Chobe region of Botswana is home to an abundance of game. Around the Chobe National Park, visitors will find the largest population of elephants on the African continent. On the Chobe riverfront, known as the Serondela area, lush floodplains and forest areas offer the perfect habitat for many diverse species. Due to the large number of trees and bush life, birding is also popular in this area, especially during boat safaris. In addition to the vast amount of elephants and birds, the Chobe is also home to buffalo, hippo, giraffe, kudu and impala.

KRUGER NATIONAL PARK AREA (MANYELETI or TIMBAVATI GAME RESERVES)

The Kruger National Park area is one of Africa's largest game reserves and home to the Big 5: lions, leopards, rhinos, elephants and buffalo. Other animals that share this land include cheetah, hyena, giraffe, wild dog and leopard. Both Manyeleti Reserve (57,000 acres/23,000 hectares) and Timbavati Reserve (130,000 acres/54,000 hectares) are considered a part of the Great Kruger eco-system and share an unfenced boarder border with Kruger National Park. With grand landscapes of ancient trees, mighty rivers and diversity of wildlife, the Greater Kruger Park area is considered one of the world's premier safari regions.

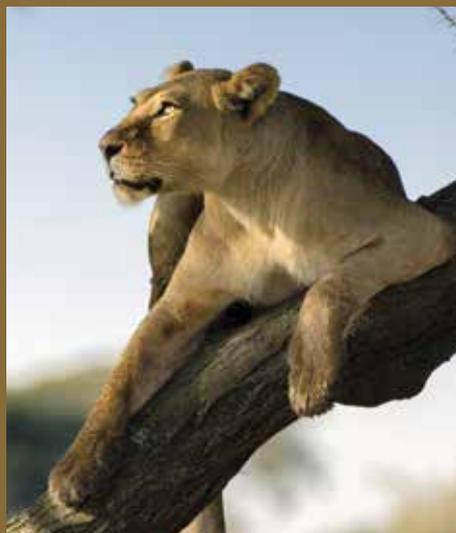

TANZANIA is home to four of the African continent's most renowned national parks, each one alive with a wild world of its own. This thrilling safari takes you on a journey through grasslands where rare beasts roam. Don't be surprised when you cross paths with a herd of mighty elephants — or even lock eyes with a lion. YOUR ITINERARY

Day 1, ARRIVE IN CAPE TOWN, SOUTH AFRICA. Situated amidst majestic mountains and lined with pristine white sand beaches, Cape Town is home to a rich cultural and historical heritage. After your airport greeting by an AmaWaterways representative, transfer to your hotel. Your Tour Director hosts a Welcome Reception at 6:30 pm. (WR)

Day 2, CAPE TOWN. Your full day exploration on one of the world's most beautiful drives takes you southeast along the Atlantic seaboard past the 12 Apostles, Hout Bay and Chapman's Peak. Stop at the Cape of Good Hope, first rounded in modern times in 1488 by the Portuguese in their attempt to establish trade in the Far East and still a significant landmark for sailors today. Also visit Boulder Beach, home to thousands of African Penguins. Lunch today is fine dining with drinks overlooking False Bay. (B,L)

Day 3, CAPE TOWN. Choose from two sightseeing options today: The first option is to take a cableway up Table Mountain for spectacular views from the summit. Then head out to the scenic Cape Winelands, which comprises the Stellenbosch, Franschhoek and Paarl valleys. Visit two renowned vineyards and sample their wines. A sumptuous regional lunch will be included along the way. Or you can choose to board a ferry to Robben Island, once used as a prison for many political prisoners, including Nelson Mandela. Your tour will be led by a former inmate before returning back to Cape Town. After lunch, board the cableway to the summit of Table Mountain followed by a drive through some of the city's diverse neighborhoods. (B,L)

Day 4, CAPE TOWN - ZAMBEZI QUEEN - EMBARKATION. Fly to Kasane, Botswana (via Johannesburg), cross into Namibia and board the Zambezi Queen. This afternoon, enjoy the view as you settle in on the Chobe River before a Welcome Cocktail and Dinner. (B,D)

Day 5, ZAMBEZI QUEEN. This morning embark on a boat safari to explore the Chobe River's spectacular game viewing. Then journey back to the Zambezi Queen for lunch and time to relax on board. This excursion will offer you an unusual viewpoint to observe hippos and elephants in their natural habitat (B,L,D)

Day 6, ZAMBEZI QUEEN. Join a full day safari of Chobe National Park in open-top 4x4 vehicles. Chobe National Park is home to one of the most dense populations of wildlife in Africa. Lunch will be a delicious picnic served up under the trees. (B,L,D)

Day 7, ZAMBEZI QUEEN. This morning, enjoy an unforgettable visit to a typical African village to experience the local culture first hand. Spend time with the children of the village as well as its elders and learn about their day-to-day life. After lunch on board, you can choose your afternoon activity including an afternoon safari by boat, bird watching or fishing. Tonight your crew hosts an African-themed dinner complete with singing and dancing. (B,L,D)

Day 8, ZAMBEZI QUEEN - DISEMBARKATION - VICTORIA FALLS. Transfer to legendary Victoria Falls, one of the greatest natural wonders on earth. Spend the afternoon exploring the town or experience one of the many activities offered at your hotel. The sweeping views are unforgettable and with five-star service you'll enjoy cocktails and appetizers along the way. Dinner follows at the hotel. (B,D)

Day 9, VICTORIA FALLS. Join a local guide for a tour of remarkable Victoria Falls, more commonly referred to as the smoke that thunders. The afternoon is free for independent activities. YOUR ITINERARY

Day 1, ARRIVE IN CAPE TOWN, SOUTH AFRICA. After your airport greeting by an AmaWaterways Representative, transfer to your hotel. Your Tour Director hosts a Welcome Reception at 6:30 pm. (WR)

Day 2, CAPE TOWN. Your full day exploration on one of the world's most beautiful drives takes you southeast along the Atlantic seaboard past the 12 Apostles, Hout Bay and Chapman's Peak. Stop at the Cape of Good Hope, first rounded in modern times in 1488 by the Portuguese in their attempt to establish trade in the Far East and still a significant landmark for sailors today. Also visit Boulder Beach, home to thousands of African Penguins. Lunch today is fine dining with drinks overlooking False Bay. (B,L)

Day 3, CAPE TOWN. Choose from two sightseeing options today: The first option is to take a cableway up Table Mountain for spectacular views from the summit. Then head out to the scenic Cape Winelands, which comprises the Stellenbosch, Franschhoek and Paarl valleys. Visit two renowned vineyards and sample their wines. A sumptuous regional meal lunch will be included along the way. Or you can choose to board a ferry to Robben Island, once used as a prison for many political prisoners, including Nelson Mandela. Your tour will be led by a former inmate before returning back to Cape Town. After lunch, board the cableway to the summit of Table Mountain followed by a drive through some of the city's diverse neighborhoods. (B,L)

Day 4, CAPE TOWN - ZAMBEZI QUEEN - EMBARKATION. Fly to Kasane, Botswana via Johannesburg. Here you will be transferred to the Namibia side of the Chobe River where tender boats will transfer you to the Zambezi Queen. This afternoon, enjoy the view as you settle in on the river before a Welcome Cocktail and Dinner on board the vessel. (B,D)

Day 5, ZAMBEZI QUEEN. This morning embark on a boat safari to explore the Chobe River's spectacular game viewing. Then journey back to the Zambezi Queen for lunch and time to relax on board. Later today, enjoy a slightly different version of a river safari aboard a special double decker barge which will allow you to venture into the southern channels. This excursion will offer you an unusual viewpoint to observe hippos and elephants in their natural habitat. (B,L,D)

Day 6, ZAMBEZI QUEEN. Join a full day safari of Chobe National Park in open-top 4x4 vehicles. Chobe National Park is home to one of the most dense populations of wildlife in Africa. Be on the lookout for elephants, giraffe, zebra, sable, warthog and cape buffalo. Prides of lions, hyenas and more rarely cheetahs, are normally visible along the way. Lunch will be a delicious picnic served up under the trees. (B,L,D)

Day 7, ZAMBEZI QUEEN. This morning, enjoy an unforgettable visit to a typical African village to experience the local culture first hand. Spend time with the children of the village as well as its elders and learn about their day-to-day life. After lunch on board, you can choose your afternoon activity including an afternoon safari by boat, bird watching or fishing. Tonight your crew hosts an African-themed dinner complete with singing and dancing. (B,L,D)

Day 8, ZAMBEZI QUEEN - DISEMBARKATION - VICTORIA FALLS. Transfer to legendary Victoria Falls, one of the greatest natural wonders on earth. Spend the afternoon exploring the town or experience one of the many activities offered at your hotel. This evening travel back in time aboard a historic steam train and jaunt onto the iconic Victoria Falls Bridge. The sweeping views are unforgettable and with five-star service you'll enjoy cocktails and appetizers along the way. Dinner follows at the hotel. (B,D)

Day 9, VICTORIA FALLS. Join a local guide for a tour of remarkable Victoria Falls, more commonly referred to as the smoke that thunders. The afternoon is free. Tonight, embark on a private and festive Sundowner cruise complete with drinks and tapas, along with music. (B)

Day 10, VICTORIA FALLS – JOHANNESBURG. After breakfast, transfer to the airport for your flight to Johannesburg. Before dinner, gather with a Local Expert for an informative discussion on the day to day life of the South African bushmen in the Kalahari Desert followed by a special dinner. (B,D)

Day 11, JOHANNESBURG. Head out this morning for a fascinating look at Johannesburg and the rich history it has to share, from colonialism to apartheid, and finally democracy. Get an in-depth look at Soweto, the center of the uprising against the apartheid state. Walk the footsteps of Nelson Mandela and explore the colorful neighborhoods. Enjoy a delicious “township” lunch along the way. (B,L)

Day 12, JOHANNESBURG – KRUGER NATIONAL PARK AREA. This morning fly to the Greater Kruger National Park, where you'll be transferred to your private game lodge. Later, set out on an

afternoon game drive in search of the country's “Big Five” and other native wildlife. Tonight you will enjoy your first dinner at the lodge. (B,L,D)

AIRLINE INFORMATION

SOME OF OUR PARTNERS

of \$350 per person for economy class or \$600 per person for business/first class flights. Certain airline tickets require non-refundable, full payment at the time of reservation. Hotel Extra Nights require a non-refundable deposit of \$50 per stateroom at the time of confirmation of the hotel availability. Final payment is due no later than 90 days before the travel start date.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice to AmaWaterways must be via email to Res@AmaWaterways.com, which must include a return receipt and read notation, or other writing stating clearly and correctly each guest's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. The effective date of the cancellation is the date we receive the written cancellation notice. Name changes, a substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as follows:

Pricing: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel agent or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include vessel fuel surcharges; passport and visa fees; baggage fees; port charges and fees; travel, health, accident or other insurance; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at final payment. If not received at this time, embarkation may be denied and cancellation penalties will apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a single entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Turkey, Vietnam, Cambodia, Myanmar, Kenya, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.

Travel Documents: Only after receipt of full payment, travel documents (including airline confirmation information, if applicable) will be sent by regular ground delivery (US & Canada), approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of travel documents.) Expedited delivery may be possible for an additional charge of \$25 or the full amount of expedited services, whichever is greater.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler's choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a **deposit of \$350 per person (economy class tickets) or \$600 per person (business/first-class tickets) is required to secure the flight schedule and quoted price.** Published airfare prices require full payment at the time of reservation. **Once the airfare deposit or full payment is received your airline tickets will be issued** and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed and your reservation will have to be recreated subject to market pricing at the time of the new reservation.

Air tickets are economy class, unless otherwise requested and additional charge for upgrade is paid, and are issued pursuant to the terms and conditions of the relevant airline(s). **Airlines require your name to appear on your airline ticket exactly as it appears on your passport.** We shall not be responsible or liable for consequences of name on an airline reservation and passport not matching exactly. We shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight; lost baggage or missed connections.

Changes: Airline tickets issued by AmaWaterways have restrictions. For example, they cannot be reissued, transferred, or exchanged. Any changes made to an airline ticket, including minor name corrections, will incur a minimum \$350 per ticket change fee plus any additional increases in the cost of the airfare. A change or refund request must be made through us, but may not be possible. For example, some airline tickets are non-refundable.

Limitation on Special Requests & Frequent Flier Numbers: As a courtesy, we may try to relay a request for seat assignments, meal requests, frequent flyer numbers, or other special assistance to the particular airline. The sole authority to grant such requests rest with the airline and is not under the control of AmaWaterways. Whether or not we relay a request to an airline, you or your travel agent must always confirm directly with the airline regarding any such requests. To insure you receive proper credit on your frequent flyer account, we recommend you provide your frequent flyer number to the airline at the time of check-in. Please note our airfare prices use special contract fares that may not allow you to receive credit on your frequent flier account nor may they allow you to use miles to upgrade to a higher class.

Baggage: Please check with the airline regarding their baggage allowance. Most airlines limit checked bags to either one or two pieces per person, and limit carry-on baggage to one piece per person, and weight and size restrictions apply. There are strict luggage restrictions for our programs in Africa; please ask for details. We shall not be responsible or liable for costs or consequences of participant exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to participant's baggage.

Airport Transfers: Guests purchasing transoceanic airfare through us **may** qualify for complimentary group airport transfers on a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. Airport transfers included in your airfare package will be reflected on your travel confirmation and on your travel documents. If airport transfers are not reflected on your confirmation, AmaWaterways is not responsible for providing airport transfer service to you. Please note: our group airport transfer service may involve some waiting time between the time your flight lands and the time you arrive at the ship or hotel. All guests making their own airfare arrangements are solely responsible for arranging their transportation to/from the airport. Individual airport transfers can be purchased for those guests who are scheduled to arrive/depart on our itinerary dates, please ask for details.

If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

Hotel Accommodations: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary, therefore use of such hotels is not assured.
