Dreams of a lifetime begin right here.

The cerulean blue Caribbean is mirrored by expansive turquoise pools. Seven international gourmet restaurants, a café, a grill and six lounges satiate every taste and fulfill every mood. And then there’s our incomparable 13,000 sq. ft. Dreams Spa by Pevonia — a temple of renewal and rejuvenation.

Because everyone in the family needs time just for themselves, our supervised Explorer’s Club for kids provides enticing adventures every day and evening.

The only question? How Dreamy can one place be?
GRAND Geometry.

*Your octagonal shaped lodging is luxuriously spacious... the views from your private terrace, utterly magical.*

The furnishings are lustrous, from the sleek stylings to the dual vanity marbled bath area with aromatherapy whirlpool and separate shower. Everything to make you happy is yours: daily refreshed mini bar, 32” satellite TV, complimentary wireless internet with Unlimited Connectivity, luxury bath amenities... everything.
The Preferred Club. For those desiring an even higher level of luxury, Preferred Club guests receive accommodations in premium locations, enhanced amenities, upgraded mini-bar and exclusive privileges.

The Preferred Club lounge serves breakfast, fine liquors, afternoon snacks and sumptuous hors d’oeuvres each evening.

Preferred Club rooms and suites have spectacular ocean views and oversized terraces with plunge pools or outdoor Jacuzzis.

It's the epitome of Dreams made real.
ULTRA Luxury. Enter the charming and spacious Governor or the grand Presidential Suites and you are immediately transported to a privileged world of luxury and romance.

Both offer a separate living room, indoor and outdoor Jacuzzis and spectacular ocean views. The Presidential Suite’s private plunge pool and outdoor deck are simply amazing.

This is life at its grandest.
ALLURING Locale. Our idyllic oceanfront setting puts you close to the area’s finest golf courses, deep sea fishing, eco-archeological parks, the shopping and nightlife of Cancun, Playa del Carmen, Puerto Morelos and the pyramids of Tulum.

Without even leaving the resort you’ll enjoy endless land and water pursuits including snorkeling at the world’s second largest barrier reef just off our shore.
If your idea of vacation perfection is simply beach or pool napping with a book and cool beverage at hand, have we got a spot for you!

Do it all. Or do nothing at all.
Youngsters share discoveries based on science, nature and exploration.

They even have their own climbing wall — reminiscent of the Chichen Itza pyramid, a planetarium theatre to watch and put on shows, camping nights, big screen movies and other adventures.

Everyone gets to enjoy their own time in their own way. Doesn’t that sound like an excellent plan?

YOUTHFUL Wonderland.

Kids deserve their own vacation fun and our supervised Explorer’s Club for ages 3 to 12 keeps them enchanted from morning till night every day.

This too, is part of your Unlimited-Luxury® inclusions.
Time alone at last. To gather your thoughts. To surrender your tensions to the hands of a master massage therapist. To imagine all that is yet to come.

This is the true purpose of Dreams.
Everything to make you feel reborn is here. Hydrotherapy circuit, individual and couple's outdoor massage suites, saunas, steam rooms, beauty salon, spa boutique and fitness center.
DINING Destinations. One of the great joys of your Unlimited-Luxury® inclusions is the array of dining and lounge choices from our seven gourmet restaurants, a café, a grill and six stunning bars.

Portofino presents its Italian and Mediterranean masterpieces in classic European style. The Rendezvous Bar is an instant favorite with everyone. Bordeaux brings an adults-only intimacy to its French menu and mood. You may also request 24-hour room service.
FRESH AND **Fanciful.** Open-air Oceana overlooks the very sea from where its caught-today treasures emanate. For a very special occasion, may we suggest having a private dining experience at our vintage wine cellar.

Himitsu offers Pan-Asian delicacies prepared by masters of the sublime. Barefoot Grill provides snacks and drinks poolside. Having so many dining venues allows you to immerse yourself in completely unique experiences each day.

And still more wonderful choices await. Sip, Savor & See at nearby resorts to enjoy top-shelf spirits, dinner and live entertainment.
MORE MARVELOUS Morsels.

Festive El Patio treats you to the classic “comfort” flavors of authentic Mexican cuisine.

Befitting its name, the World Café is a mecca of international favorites. In the evening, steak lovers head straight for our open-air Seaside Grill.

For your must-have gourmet coffee, drop by the casual CoCo Café.
Or, share the gift of time with each other and the soft Caribbean breeze at an intimate, privately served shore-side dinner.

TWILIGHT Tableau. When the sun goes down, things really begin to heat up. Make new friends from around the world at our theme parties. Dance the night away at Desires Music Lounge. Enjoy our live shows... under the stars.

And tomorrow you can start all over again.
CELESTIAL Celebrations. Imagine your wedding beneath our Mayan inspired gazebo and your honeymoon just footsteps away. It’s a Dream made real.

Saying “I do” here is the ultimate fantasy event — for you and for your guests as well. South Asian wedding packages are available for those who would like to host a lovely Indian-style wedding in paradise.
