ROMANCE along the DANUBE
DANUBE RIVER

AUSTRIA | CROATIA | GERMANY | HUNGARY | SERBIA | SLOVAKIA
AN UNHURRIED WALTZ THROUGH the AGES

Steeped in history, myth and jaw-dropping scenery, the sinewy Danube flows through ten European nations on its 1,750-mile journey from the Black Forest to the Black Sea. To cruise this watercourse is to relive centuries of cultural and architectural achievement, dating back to when this was the northern boundary of Rome’s empire. Each gleaming city, each humble village, each hidden gorge or hillside castle echoes with its own rich stories — sometimes triumphant, sometimes tragic, but always enchanting.

ESSENTIAL SIGHTS & EXPERIENCES

> Stroll Vienna’s ornate Ringstrasse, sample its intimate bistros and pastry shops, and revel in the city’s incomparably melodic character.
> Photograph the vivid domes and spires of Budapest reflected in the Danube’s waters, as you ramble the cobbled wonderland of Castle Hill.
> Pass through 15th-century Steiner Tor (Stoney Gate) in storybook-beautiful Krems, where old and new share the stage in timeless harmony.
> Sip regional Wachau Valley wines bottled in the shadow of ruined Dürnstein castle where Richard the Lionheart was held captive during the Crusades.
> Explore the gilded Treasury of Esztergom Cathedral, a Neoclassical landmark visible for miles — and climb its colossal dome if you dare.
> Wander in Bratislava, where ancient cobbled lanes mix it up with a vibrant modern gallery scene and brooding Communist-era architecture.

AUSTRIA’S WACHAU VALLEY

Along the way to Vienna, this storied stretch of the Danube between Melk and Krems is barely 25 miles long, yet somehow filled with infinite charm. Vineyards dot the hillsides, castles and ruins abound, and engaging small towns line the banks. Melk Abbey, where Benedictine monks have continued their labors through nine centuries of European history, is one of the litany of must-see landmarks that make it clear why this valley is a designated UNESCO World Heritage Site.

THE EASTERN DANUBE & IRON GATES

As the Danube turns southward from Budapest, its rich character drifts steadily eastward — with multicultural cities like Kolocsa, Mohács, Novi Sad, and Vukovar leading the way toward the ultimate crossroads capital of Belgrade — where East meets West and Byzantine and Ottoman meet Art Nouveau and Modernist. Beyond waits the dramatic landscape of the Iron Gates, a legendary series of steep river gorges forming the border between Serbia and Romania, with a history deeply tied to ancient Rome.

THE SCHLÖGEN LOOP

Each section of the nation-hopping Danube offers its own distinct character and must-see sights. That’s certainly the case with the stretch between Passau and Linz — famous for its dramatic “Danube Loop,” a hairpin curve near the village of Schlögen. Passau and Linz themselves are laden with appeal and sights, too. Whether your passion is forest hiking, touring Italianate mansions, or surrendering to the alluring berry-and-almond sweetness of a Linzer torte, you’ll find ways to indulge it along this stretch of the river.
ON EVERY CRUISE YOU’LL ALWAYS ENJOY:

- Crystal’s highly-acclaimed six-star service
- Michelin-inspired farm-to-table cuisine prepared fresh to order
- All-inclusive, complimentary fine wines, premium spirits, authentic regional, local and seasonal wine and beer offerings, gratuities and more
- Extensive selection of inclusive shoreside experiences
- And much more

the RHINE and MOSELLE ... ribbons of HISTORY
AGELESS BEAUTY ALONG the RHINE

From the high Swiss Alps to the dikes of the Low Countries, the majestic Rhine flows uninterrupted by time — past sheer cliffs and fairy-tale castles, ancient princedoms and shining modern cities, and a non-stop procession of cultural touchstones. The Rhine’s role within Western Europe’s geopolitical story is unrivaled, and dates back to early Roman times. Each bend, each mile, each landmark along the river’s course has its tale to tell. And together, these tales form a legend cast in stone, forged in steel, and swathed in romance.

ESSENTIAL SIGHTS & EXPERIENCES

- Experience Amsterdam’s canals and bikeways, its precariously balanced buildings, candle-lit cafes, and illustrious Old Master artworks.
- Visit Switzerland, Germany and France in a single city. Basel shares them all, along with a trove of landmark medieval and ultra-modern buildings.
- Step inside enormous, glorious, UNESCO-listed Cologne Cathedral and be moved. Afterwards, toast beauty over a locally-brewed Kolsch ale.
- Wander a world of half-timbered buildings and narrow lanes in Rüdesheim, where Rieslings and brandies flow from Rhine Gorge vineyards.
- Explore rococo, cobbled squares and trendy galleries in Antwerp. Visit Rubens’ lavish home and studio, and do some diamond admiring.
- Marvel at the red sandstone Kaiserdom basilica in Speyer. Built in 1030, it houses the tombs of Holy Roman emperors and German kings.

THE LEAFY UPPER RHINE

At Basel, the Rhine takes a big bend and veers northward into a broad valley — leaving Switzerland behind as it skirts the border between the Alsace and Germany. French Strasbourg and German Kehl sit opposite each other, a pair of splendid half-timbered fairylands connected by bridges. Beyond Speyer, stroll-friendly Mainz is home to a true treasure: an original Gutenberg Bible. Just around the next bend, Rüdesheim sits at the start of the Gorge.

THE GORGEOUS RHINE GORGE

The deep gorge between Bingen and Bonn may be the Rhine’s most thrilling 90-mile stretch. Dramatic slate slopes brim with vineyards while some 40 castles provide medieval atmosphere. Myths abound here, like the one about Lorelei rock — where a notorious siren enchants unwary seamen. Where the Moselle joins the Rhine in Cochem, a misty riverside promenade beckons. A bit upstream, Koblenz offers inviting sidewalk cafes and weinstubes.

LOWER RHINE & THE DELTA

After passing Bonn, then under the Hohenzollern Bridge at Cologne, the Rhine relinquishes the last traces of its mountain origins in preparation for a slow, broad march to the North Sea. The once-rushing waters fan out into a web of branches, an ideal setting for scenic day cruising as your Crystal ship calls on Low Country high points like historic Nijmegen, stylish Antwerp, and the famously amiable port of Amsterdam. Whether this region marks the beginning or the end of your Rhine voyage, it’s a welcoming world.
ON EVERY CRUISE YOU’LL ALWAYS ENJOY:

- Crystal’s highly-acclaimed six-star service
- Michelin-inspired farm-to-table cuisine prepared fresh to order
- All-inclusive, complimentary fine wines, premium spirits, authentic regional, local and seasonal wine and beer offerings, gratuities and more
- Extensive selection of inclusive shoreside experiences
- And much more

* Christmas Markets Cruise
** Holiday Cruise

Jewels of the Rhine itinerary is subject to adjustments. Please see Crystalcruises.com for the most up to date times.
Holland and Belgium are splendid at any time of year, but the region’s most vibrant character comes into full bloom at particular moments. Like when the annual Spring explosion of tulips arrives, a symphony in riotous color and rustic charm.
“Tulip Mania” is widely considered to have been the world’s first free-market bubble. At the top of this brief 17th-century roller coaster ride, rare bulbs were trading for more guilders than a mansion. When the dramatic drop finally came, speculators were left in ruins. Yet, a recent Smithsonian article suggests that this long-accepted “history” may be more than a bit “myth.”

**QUINTESSENTIAL SYMBOLS OF HOLLAND**

It's impossible to picture the Netherlands without conjuring an image of tulips. Ever since these elegantly symmetrical Himalayan flowers were first imported here in the 1500s, the Dutch have been obsessed with cultivating them — creating thousands of new varieties and carpeting their parks and public gardens with them. A Rhine cruise through the Low Countries at the height of tulip season is an incomparably colorful experience.

RHINE-MAIN-DANUBE-MOSELLE RIVERS
MANY RIVERS 
ONE TRULY 
ASTOUNDING 
JOURNEY

There are certain things in life one simply must experience. A traverse of Western Europe and its Eastern flank by river is one such highlight. It’s a voyage with deep historical meaning; the great warrior-king Charlemagne himself was first to envision it, back in 793. The channel he had excavated, connecting two tributaries that would link the great Danube and Rhine, collapsed in failure before his dream was realized. A thousand years later, Ludwig I of Bavaria began work on a modern replacement — and in 1992, the current Rhine-Main-Danube Canal opened its miraculous locks to create a continuous 2,200-mile waterway spanning 15 countries.

ALONG THE RHINE

Experience Amsterdam’s canals and bikeways, its precariously balanced buildings, candle-lit cafes, and illustrious Old Master artworks.

Step inside enormous, glorious, UNESCO-listed Cologne Cathedral and be moved. Afterwards, toast beauty over a locally-brewed Kölsch ale.

Marvel at the red sandstone Kaiserdom basilica in Speyer. Built in 1030, it houses the tombs of Holy Roman emperors and German kings.

ON THE MAIN

In lively Würzburg, a student town with ancient wine making roots, tour the cozy 360-room Royal Residence, a baroque showplace of epic proportions.

See Bavaria’s answer to the Leaning Tower of Pisa in charming, low-lying Wertheim. Frequently flooded, its residents are used to wading casually through waist-deep river water, stopping to chat with friends.

Take a walk in off-the-beaten-track Miltenberg. Having sidestepped bomb damage during WW II, this scenic town retains its original timber-framed fairytale skyline — complete with hilltop castle.

CANAL-SIDE

Forever infamous for the Nazi trials that took place here after WW II, today’s Nuremberg is all about year-round Christmas and bratwurst.

Engage in a pilsner crawl in Bamberg; breweries are more numerous here than even in Munich. What’s more, all of Old Town is a World Heritage Site.

ALONG THE DANUBE

Discover UNESCO-listed Regensburg, perched timelessly on a river bend, its 1,400 ancient buildings standing testament to a mix of medieval, Roman, and Celtic origins.

Sample the many cultural, architectural, and culinary assets of Deggendorf, gateway to the Bavarian Forest. Chief among them: pretzels with sweet mustard, and savory dumplings made only here.

Stroll Vienna’s ornate Ringstrasse, sample its intimate bistros and pastry shops, and revel in the city’s incomparably melodic character.

An old Roman settlement that grew to be a hub for salt, swords, and ideas, Passau offers a stimulating blend of rustic charm and stunning grandeur.

SEASON’S BEST
Join us for a cruise experience without peer. Danube-Rhine river voyages provide reason for celebration at any time of year, but the region’s dazzling color bursts into full glory during Christmas Market season — when it seems every city and town is dueling to be the most festive. Twinkling lights, snow-dusted rooflines, spectacularly decorated squares, and markets redolent of gingerbread, pine and mulled wine are everywhere. Tradition is alive and well, joy is in the air, and Crystal carries you into the midst of it all.

**ESSENTIAL SIGHTS & EXPERIENCES**

- Experience the incomparable thrill (and good cheer) of a Christmas-time cruise along the Rhine, the Danube — or, better yet, both.
- Meander the stalls of Vienna’s sprawling Rathausplatz Christmas Market, where the Wiener Christkindl (Christ Child) is traditionally portrayed by a young woman with flowing blonde curls.
- Fortify yourself with mulled glühwein as you navigate a sea of red-and-white striped stalls in the biggest, oldest Christkindlesmarkt of them all in Nuremberg.
- In Basel, see how the Swiss do Christmas — replete with market stalls decorated like mountain chalets, luscious chocolate, and irresistible melted Raclette cheese treats.
- Enter the land of the cuckoo clock and Black Forest cake in rustic Breisach, and be warmed by a yule-time bonfire.
- Catch a midday Advent concert at St. Stephen’s Cathedral in Passau, played with rousing oomph on an 18,000-pipe organ.

**A CRYSTAL COLLECTION SNAPSHOT**

Venture into Bamberg’s UNESCO-listed medieval cityscape for a stroll along cobbled streets leading to the main square at Maximilianplatz — at this time of year transformed into a glittering seasonal wonderland. Wander stalls laden with crafts. Graze on traditional foodstuffs. And savor the holiday music and abundant good cheer. This “Bamberg Winter Wonderland: City Walk & Christmas Markets” tour is an inclusive destination experience you’ll remember for years to come.

RECAPTURE THE TRUE SPIRIT
Christmas markets filled with crafts and foodstuffs have been held across Europe for centuries — Nuremberg’s dates back all the way to 1628. While today’s are more brilliantly lit, and visited by far more than locals, these gathering places are in many ways still authentic time capsules of what medieval yuletide celebration was all about. Their sights, sounds, smells, and unbridled enthusiasm can’t help but leave you filled with child-like wonder.

Transported from your Crystal ship to the center of Antwerp by luxury coach, you’ll take your seat inside a concert hall that was once the monastery church of Augustine monks. Now the centerpiece of a music conservatory devoted to period authenticity, the building dates back to 1615 and combines a thrilling historical setting with the latest concert hall technology. The 40-minute program for the evening includes a mix of orchestra-only songs and others where orchestra and opera soloist perform together. The compositions played span from historically well-known songs to modern movie music. Your string orchestra, lead violinist, and opera soloist for this enriching evening have built a considerable following within Belgium and have performed to accolades at festivals and concerts throughout Europe. CONNECTING SUITES

Suite diagrams shown are for illustration purposes only and may vary from actual square footage. Please refer to suite specifications for square footage.
Air Transportation

If you have not booked your flights with Crystal, please notify Crystal of your air details either by phone or on PCPC (Priority Check-in & Planning Center) to ensure you are on our river ship manifests.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the river ship’s sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. Port authorities sometimes change the location of the pier or berth number, so be sure that you actually see your river ship when you arrive at the port/pier. You must be on board the river ship at least two hours prior to sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9:00 pm, please plan to be at the pier no later than 7:00 pm for security clearance and check-in.

When planning your return flights, please take into consideration the date and time the river ship docks at the final port. Disembarkation starts at 6:00am as we offer transfers to the airport. Also, guests must vacate their suite and disembark the vessel by 10am. For guests with later flight times please ask about our hospitality services. Times may vary if the river ship is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel agent should contact Crystal’s Reservations for flight departure guidelines, which vary by each itinerary’s port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates. Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel agent.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

Beauty Salon (Crystal Mozart Only)

The Salon in the Crystal Life Spa offers a range of beauty services for ladies and gentlemen performed by trained professionals. Featured services include haircuts, hairstyling, colorings, manicures and pedicures. Appointments may be requested through the pre-cruise butler service or whilst onboard.

Our apologies, salon services are not offered on Crystal Bach, Crystal Debussy, Crystal Mahler or Crystal Ravel. Appointments with local salons can be made through the reception desk.

Boarding the River Ship

At most embarkation ports, the river ship is usually available for guests boarding after 12:00 noon. Suites are available for guest occupancy by 3:00 pm.

The exact embarkation and sailing times are specified on your cruise ticket. In order to embark, all guests must carry a passport that is valid for six months after the end of the cruise, and with at least four blank pages available for visas (as applicable) per advertised voyage number. On embarkation day, you must be on the river ship at least two hours prior to scheduled sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9:00pm, please plan to be at the pier no later than 7:00pm for security clearance and check-in.

On succeeding cruise days (cruise day two through the last cruise day or night prior to disembarkation), all guests must be on board the river ship no later than 30 minutes prior to scheduled port departure.

ITINERARIES
Crystal has prepared extensively for when unexpected circumstances, such as disruptive weather patterns or lock delays & closures, occur. Whilst Crystal makes every effort to minimize disruptions, the nature of river cruising dictates an expectation of deviations in the published itinerary.

MEDICAL FACILITIES
There are no medical facilities or doctors on board Crystal River Cruises ships. Medical services can be provided through local shoreside facilities when required.

Guests who have existing medical conditions, guests who cannot completely care for themselves, or guests who may constitute a risk or danger to anyone else on board must be reported in writing to Crystal’s pre-cruise Shoreside Butler Services via email to RiverButler@Crystalcruises.com, prior to departure.

Crystal River Cruises reserves the right, without liability, to refuse to board and transport such guests who are in need of constant care by the ship’s staff.

MEET & ASSIST
On the days of embarkation and disembarkation, Crystal River Cruises is pleased to provide complimentary transfers between the ship and select airports. Service is offered to/from the following airports: AMS (Amsterdam Airport Schiphol), BSL (EuroAirport Basel Mulhouse Freiburg), BUD (Budapest Ferenc Liszt International), FRA (Frankfurt Airport) and VIE (Vienna International). Guests traveling to/from airports, train stations or local hotels may reserve private car transfers for an additional charge.

Please advise Crystal of your air details at least two weeks prior to departure so that we may arrange your transfer. All guests arriving by air (either international or domestic), must claim their luggage, clear customs and then will be met by our Crystal River Cruises representative in the arrivals hall, (not in the baggage claim area).

PASSPORT & VISAS
Guests must take full responsibility for securing the required travel documents, including proper passports and visas, prior to departure.

Failure to comply may result in refusal of passage by Customs and Immigration authorities.

VISA REQUIREMENTS (U.S. CITIZENS):
Currently, U.S. passport holders do not require visas for river ship sailings in Europe. It is always recommended that guests check with their travel professional for the most updated visa requirements.
VISA REQUIREMENTS (NON-U.S. CITIZENS):
As visa regulations vary for each nationality, we request that all guests who are non-U.S. citizens, including U.S. resident aliens, contact their travel professional or a local visa service to determine their individual visa requirements for ALL PORTS. Visa information may also be obtained through the local embassy or consulate of the countries you will be visiting. It is the guests’ responsibility to obtain all necessary visas. Failure to comply may result in refusal of passage by Customs and Immigration authorities.

PLEASE NOTE: We recommend guests contact their travel agent to ensure they have secured all necessary visas and that all documentation is up-to-date. Crystal cannot be held responsible at the time of sailing for any visa information provided by us or travel agents, as visa rules and requirements change regularly.

POOL
Each Crystal River Cruises ship has an indoor pool, with a swim against the current feature, for relaxation and exercise.

PRIORITY CHECK-IN & PLANNING CENTER (PCPC)
Our Priority Check-in & Planning Center (PCPC) at crystalcruises.com will streamline your embarkation process and allow you to pre-reserve shipboard and shoreside activities. Full-fare guests who have made a deposit and have a booking number may pre-reserve their Crystal Adventures shore excursions online.

SHIPBOARD CREDITS
Guests with shipboard credits posted to their accounts may use them towards onboard spa & salon services, Vintage Room experiences, Connoisseur Collection wines & spirits, and optional shore excursions including excursion yacht journeys.

Please note: All U.S. dollar denominated shipboard credits will be converted to euro (the river ships official currency), three (3) days prior to embarkation and at the company’s rate of exchange on that day.

SPECIAL DIETARY REQUESTS
Special dietary requests must be sent in writing to Crystal’s Shoreside River Butlers Department by fax at 310-785-3975, or email RiverButler@CrystalCruises.com, at least 14 working days prior to departure. Vegetarian menus are available on all of our ships. Please note: we are unable to fulfill requests for kosher meals.

SPECIAL NEEDS & OTHER ACCESSIBILITY INFORMATION
Crystal River Cruises is dedicated to providing a comfortable experience for all our guests. We make every effort to accommodate the needs of persons with disabilities. Crystal River Cruises does not discriminate against any person on the basis of disability.

There are no facilities for disabled guests; this includes: no handicapped/ wheelchair accessible rooms, nor any access or assistance provided to disabled guests on embarkation or disembarkation.

For many reasons, embarkation and disembarkation present difficulties for guests with reduced mobility. Gangways are quite narrow, and there is frequently a need to cross other river ships to gain access to the pier.

Going Ashore
Guests with disabilities/limited mobility should also note that not all ports are wheelchair/scooter accessible. Port access varies greatly around the world, and in most instances, the river ports are not wheelchair accessible.

River cruising is not recommended to guests who require a wheelchair or scooter for mobility.

Guests should be aware that some shore excursions include rough terrain, extensive walking over cobblestone streets, uneven pavement, and steps and locations that may not be easily accessible or accessible at all by wheelchair or scooter.

Crystal River Cruises reserves the right, without liability, to refuse to board or transport guests whose medical condition, limited mobility or disability is not compatible with security rules and requirements specific to the navigation area, or who, in Crystal River Cruises’ opinion, are unfit for travel on the river ship.

In the unlikely event of an emergency, all guests must be fully mobile and able to exit the river ship safely. If guests are unable to meet the minimum safety requirements, even when provided with appropriate auxiliary aids and/or services, Crystal River Cruises may find it necessary to ask these guests to make alternative travel arrangements.

VISITORS
Requests may be made through the Guest Check-In/ Priority Check-In & Planning Center (PCPC) portal by a guest with a valid booking number, or requested on board, through the river ship’s Reception Desk. All requests and supporting information must be submitted through PCPC no later than eight days prior to the intended visit day (or arrival into port, if requested while on board). The number of visitors allowed is capacity-controlled and subject to the security level at the port of call.

Due to changing world conditions, Crystal River Cruises may institute a no-visitor policy on board its river ships from time to time. This policy is subject to change, without notice, at any time.

All itineraries, fares, programs, promotions and policies are subject to change at the discretion of Crystal River Cruises. Crystal River Cruises reserves the right to correct errors or omissions and to change any and all fares, fees, promotions and programs at any time with or without notice. ### Cancellation or Category Downgrade Terms

#### IMPORTANT NOTICE TO GUESTS: THE FOLLOWING TERMS AND CONDITIONS ARE THE ENTIRE AGREEMENT BETWEEN CRYSTAL CRUISES AND YOU. PLEASE READ THEM CAREFULLY, AS WE ARE BOTH BOUND BY THEM. THESE TERMS AND CONDITIONS ARE SUBJECT TO CHANGE WITH OR WITHOUT NOTICE. THIS IS A CONTRACT AND APPLIES TO ALL YOUR LEGAL RIGHTS. PARTICULARLY SECTION 13 GOVERNING THE PROVISION OF MEDICAL SERVICES, SECTIONS 7, 11, 12, 17, 18, 20, AND 21 LIMITING CRYSTAL’S LIABILITY FOR YOUR DEATH, ILLNESS, INJURY, OR DAMAGE CLAIMS RELATING TO BAGGAGE OR PERSONAL PROPERTY, LIMITING YOUR RIGHT TO SUIT, AND REQUIRING ARBITRATION FOR CERTAIN CLAIMS AND WAIVER OF JURY TRIAL.

#### 1. Definitions:
- The term “Ticket” refers to the terms and conditions of this Ticket contract as SET FORTH HERIN. The term “Guest” refers to a passenger on the ship and includes every person named on the face of the Ticket; the term “Ship” includes the ship named in the Ticket; and its tenders or any other means of conveyance controlled by Crystal Cruises; the term “Crystal River Yachts” is equivalent to “Crystal Cruises” or “Crystal” and includes the Ship, its owner, operator, manager, charterer and agents, any and all affiliated or related companies and the sales representatives and all employees, officers, crew, pilots, and agents of such individuals and companies.

Rates vary by departure and are per person based on double occupancy. Rates shown are representative examples and do not include taxes, fees and port charges.

#### 2. Cruise Fare:
- A) Cruise fare includes all normal shipboard services and facilities, plus all nonalcoholic beverages, wines and liquors, and gratuities for housekeeping, dining and bar staff. The cruise fare does not include cruise port, security, navigation, berthing, stevedoring, and baggage handling/storage charges, fuel surcharges, fees or charges imposed by governmental or quasi-governmental authorities, shore excursions, sightseeing, meals ashore, taxes, gratuities, visa fees, laundry or valet service, or any item or service whatsoever of a personal nature, such as any massage or salon services which may be provided onboard and for which separate charges may be imposed. Transfers between the airport and ship on the day of embarkation and disembarkation are included. Additional charges are made for any fares purchasing Crystal Cruises' Optional Air/Sea Program, as described below. Cruise fare does not include miscellaneous charges levied by the air carriers for services, including but not limited to, luggage, meals, special seat assignments or any other airline-provided service, which are the Guest's responsibility.

B) All offers may not be combinable with other promotions, apply to first two Guests in stateroom or suite, are capacity-controlled, subject to availability and may be changed or withdrawn at any time. Crystal Cruises reserves the right to collect the rate in effect at the time of sailing, including, but not limited to, the fact that if the Guest is on a waitlist and is subsequently confirmed, such confirmation will be subject to Crystal Cruises' Optional Air/Sea Program costs in effect on the date that the cruise is confirmed. Fuel surcharges may be added at any time to defray fuel cost increases, even if the cruise fare has been paid in full.

#### 3. Non-Transferability/Blinding Effect:
The Ticket is valid only for the Guest or Guests named on the ticket for the date and Ship indicated. It may not be sold or transferred.

#### 4. Embarkation:
The Guest is required to be on board the Ship at least 2 hours before departure time. At the time of embarkation, the Guest is responsible for having received all medical inclusions necessary for the voyage and having in his or her possession the Ticket, valid passport, visas and other documents necessary for the cruise, scheduled port of call and disembarkation. If the Guest does not have proper documentation he or she will not be allowed to board the Ship.

The Guest is advised to consult his or her travel agent or the appropriate governmental authority concerning required documentation for travel. The Guest shall indemnify Crystal for all penalties, fines, charges, losses and expenses imposed upon or incurred by Crystal due to the Guest's failure to have proper documentation or otherwise comply with applicable laws or regulations of any kind. Any stamps on tickets, customs, excise or other taxes or fines on the Guest or Crystal resulting from the Guest's conduct, embarkation expenses, and all expenses of such a nature to be paid by the Guest.

If the Guest is denied boarding for failing to comply with the requirements of this paragraph, Crystal shall not be liable to refund the Guest's fare or for any other damages or expenses whatsoever.

#### 5. Cancellations or Category Downgrades Prior to Embarkation; Guest's Travel Agent:
- Cancellation or category downgrade requests must be made by telephone or in writing to Crystal Cruises. The charts below set forth the time by which the request must be received to qualify for the Optional Crystal Air/Sea Program fee for Non-Air, Sea Guests, the Cruise, departure date ("Departure Date"), and the cancellation fee which will be charged. In the event of a cancellation, a full refund of total fare (including cruise, air, hotel and Extended Land Programs); and in the event of category downgrade, full refund of the original category will not be made. In the event of a category upgrade, the category will be made to the Guest through the travel agent, except as noted herein below. Guest hereby agrees that losses sustained by Crystal in the event of Guest's cancellation would be very difficult or impossible to quantify, and that the fees set forth in the below cancellation or category downgrade charts represent a fair and reasonable assessment as liquidated damages. Since a cancellation or category downgrade likely means a diminished opportunity to sell the same space on other cruises, the cancellation fees in the charts below apply regardless of a name change or stateroom resale. See information below for appropriate voyage and year policy.

All appropriate refunds will be made to the Guest through the travel agent, except for those payments made by credit card, in which case the amount of the refund will be credited directly to the cardholder's account. Any inquiries about a refund must be made by the Guest to the travel agent. Some agents may, at their discretion, withhold an early cancellation fee. Crystal will not be held responsible for the receipt by the Guest of refund monies, except for those refunds made to credit cardholder's account.

A travel agent used by the Guest acts solely for the Guest and is deemed the agent of the Guest. Crystal Cruises is not responsible for the financial condition or any actions of the Guest's travel agent. If the Guest’s travel agent makes a refund paid by the Guest to the travel agent, the Guest remains liable for the fare due to Crystal Cruises, regardless of when Crystal Cruises demands the payment. Any refund made by Crystal Cruises to an agent on behalf of the Guest is considered, for purposes of these Terms and Conditions, as being the same as a payment by the Guest, whether or not the travel agent delivers the refund money to the Guest. Receipt of any documentation or information by the Guest's travel agent, including, but not limited to, these Terms and Conditions, is deemed to constitute receipt by the Guest.

#### 6. Baggage, Valuables and Other Possessions:
- Each Guest may bring aboard the Ship a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the Guest's full name, the name of the Ship, the stateroom number of the Guest and the Departure Date of the Ship. All checked baggage must be locked.

A) Guest must personally carry baggage containing breakable items and valuables, including, but not limited to, jewelry, watches, precious stones and metals, silverware, and other fine jewelry and other personal property. Any and all other property, including, but not limited to, on and off the Ship. Guest should not give such baggage containing breakable items or valuables to anyone at any time, including, but not limited to, porters, Ship personnel or anyone else who is not known personally to the Guest, regardless of any assurances given to Guest that it is safe to do so, at any time, including, but not limited to, during transit on or off the air carriers for services, including but not limited to, luggage, meals, special seat assignments or any other airline-provided service, which are the Guest's responsibility.

B) Weapons, ammunition, explosives, substances that are hazardous, disabling, or illegal, or any other article that in the opinion of the master shall be deemed dangerous, are strictly prohibited aboard the Ship. Such additional dangerous articles include, but are not limited to, firearms, stun guns, swords, ice picks or knives. A more comprehensive list of prohibited items is available through Crystal Cruises' Onboard Guest Services. Any such items shall be surrendered to the Captain at embarkation, and may be disposed of at the sole discretion of the Captain.

#### 7. Liability Limitations for Loss of or Damage to Property:
- The total value of the baggage, valuables and other personal belongings of a Guest aboard the Ship who does not purchase Crystal Cruises’ Cruise Protection Program, as set forth in paragraph 8 shall be deemed not to exceed the amount of U.S. $250 per Guest, and Crystal Cruises’ liability, if any, for loss of or damage to such belongings is limited to a maximum of U.S. $250 per Guest, unless the Guest shall deliver to Crystal Cruises, in writing and prior to embarkation, a declaration of the true value of the property and pay to Crystal Cruises prior to embarkation a sum equal to 5% of the excess of the agreed values set forth herein. In that event, the liability of Crystal Cruises, if any, shall be limited to the actual damage sustained up to, but not exceeding such specified value. If a Guest travels by air or other transportation, the terms and conditions of the airline or other transportation company apply to the Guest's liability in respect of property loss or damage. Crystal Cruises shall not have any liability for loss or damage to baggage, valuables and other personal belongings arising out of, or related to, such air or other travel.

- A) Crystal Cruises provides an in-room personal safe for your convenience; however, Crystal Cruises shall not be liable, in any event, for any loss or damage to money, jewelry, watches, precious stones and metals, securities, financial instruments, tickets, works of art, electronics, computers, digital or flash drive computing equipment, cellular telephones, cameras, video or audio tapes, CDs, binoculars, dental hardware, eyewear, hearing aids, medications, medical equipment, and/or any other valuables stored in the in-room safe.

- B) All settlements for loss or damage will be made on the basis of actual cash value (replacement cost, less depreciation) to the extent of the $250 limit of liability of Crystal Cruises. Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim unless the cost of repair, or the actual cash value, or repair cost, as applicable, arising from the loss or damage. Such proof must be sent to Crystal Cruises. Crystal Cruises’ liability must also be proven before any settlement will be paid.

- C) Personal belongings lost while unattended in public lounges or other public areas, whether on board or on land, are not reimbursable. Losses or damage due to ordinary wear and tear, perils of the sea, acts of God, or any other cause beyond Crystal's control are not reimbursable.
8. Cruise Protection Program: Crystal Cruises’ Cruise Protection Program is an optional travel insurance program available for purchase by Guests. The Cruise Protection Program is available for purchase from the time of booking up until final payment and becomes effective when Crystal Cruises receives proof of the required plan cost, in addition to any required cruise deposits or payments due.

A) Cancellation: Cancellation fees will be assessed according to paragraph 5, “Cancellations Prior to Embarkation.” Refunds, if any, will be made to Guests who have purchased the optional Cruise Protection Program and only in accordance with the terms and conditions of the Cruise Protection Program.

B) Baggage Protection: Coverage for loss of or damage to baggage and other personal property (other than those covered under the optional Cruise Protection Program) is available for purchase by Guests in the Cruise Protection Program. Other than as stated in Section 7 in these Terms and Conditions, Crystal Cruises shall have no liability of any kind for any reason for loss of or damage to baggage or personal effects.

9. Itinerary/Right To Change/Detention: Crystal Cruises reserves the right at its sole option and discretion and that of the Captain of the Ship without liability for damages or injuries to passengers or any loss of or damage to property, to change the advertised ports of call or route, to delay, advance or cancel any sailing, to omit or change ports of call, to arrange for substantially equivalent transportation by another vessel and/or by other means of transportation, to cause the Guest to disembark from the Ship temporarily or permanently, and to place the Guest ashore temporarily at any port of call, provided that Crystal Cruises’ Onboard Guest Services is notified at least 12 hours in advance of disembarkation. Crystal Cruises will provide Guests additional information about accessibility and limitations in the Cruise Protection Program. Other than as stated in Section 7 in these Terms and Conditions, Crystal Cruises shall have no liability of any kind for any reason for loss of or damage to baggage or personal effects.

10. Health/Pregnancy/Children/Disability/Wheelchair/Alcohol/Smoking/Security/Indemnification/Solicitation:

A) The Guest represents and warrants that the Guest is physically able to undertake the cruise travel planned by the Guest and that the Guest has not received any medical advice or opinions which are inconsistent necessary and that he or she will at all times comply with the Ship’s rules and regulations and orders and directions of the Ship’s officers and medical staff; that his or her conduct will not imperil the safety of the Ship or inconvenience other Guests. Crystal Cruises is unable to accommodate women who will enter their 24th week of pregnancy before or during the cruise.

B) Unwed, unrelated couples must be 18 or over to be booked in the same stateroom. Crystal Cruises is unable to accommodate children under 6 months of age and reserves the right to restrict the number of those under 3 years of age aboard the Ship. Any child under the age of 18 must be accompanied by an adult over the age of 21. In addition, if the adult accompanying this child is not a parent, a “Parental Consent Guardianship Form” must be signed and notarized by a parent or legal guardian and received by Crystal Cruises at least 30 days prior to sailing. Guests age 17 and under must be in a stateroom either with a parent or a guardian over 21 years of age. Guests must be 18 years of age to embark aboard the Ship. If the adult guest is the spouse of the minor, a valid marriage certificate must be presented.

C) Guests with any disability, including those primarily confined to wheelchairs or scooters or who use service animals, are recommended to notify Crystal Cruises at the time of booking. Crystal Cruises recommends these Guests be accompanied by someone who is able to assist the Guest both on and ashore at sea. Guests acknowledge and understand that certain international, foreign or local safety requirements, standards, and/or applicable regulations involving design, construction or operation of the vessel, docks, gangways, anchorage or other facilities on or off the vessel may restrict access to certain parts of the vessel and services with mobility limitations other than those for which the vessel is equipped. In the event of a medical emergency, special needs or special needs, due to the nature of river cruising, vessel traffic, and decisions of foreign port and harbor operators, disembarking at some ports may require the Ship to be tied alongside another vessel, which may in turn require Guests to ascend and descend stairs in the vessels and transverse gangways of varying widths and lengths between the vessels before reaching the gangway to shore. This type of disembarkation arrangement is outside the control of Crystal Cruises, is without advance notice to Crystal Cruises until shortly before arrival at the port, and may preclude Guests with mobility limitations from disembarking. Scooters/Onboard Guest Services is notified at least 30 days prior to sailing. Crystal Cruises understands a service animal to be any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability, and includes, but is not limited to, service animals that are trained to do work or perform tasks not required of dogs, including, but not limited to, the following: i) services or products available for the Guest’s convenience on board the Ship and furnished by barbers, hairdressers, manicurists, masseurs, spa operators, baggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of Crystal Cruises impair the safety of the Ship, crew, or other Guests or be illegal or inconvenience other Guests.

E) Guest understands and agrees that Guests must be at least 18 years old to be served alcohol, and that the Guest is responsible to ensure that the Guest does not attempt to provide or consume alcoholic beverages in violation of this policy, either for themselves or others. Guest agrees to consume alcoholic beverages only in moderation and Crystal Cruises reserves the right to refuse alcoholic beverages to any intoxicated or underage Guest. Crystal Cruises reserves the right to prohibit and retain all liquor and beverage containers brought aboard the Ship by the Guest. Guest agrees that Crystal Cruises will not be responsible for property that is lost, stolen, or damaged. Guests agree to assume responsibility for their actions while ashore and for their participation in shore activities.

G) The Guest shall be liable to and shall reimburse Crystal for all damages or loss of or to the Ship and its furnishings and any equipment or property of Crystal or any other Guest caused directly or indirectly, in whole or in part, by any act or omission of the Guest or those for whom the Guest is responsible, whether willful or negligent, including but not limited to, theft or any other criminal act. The Guest shall further indemnify Crystal and each and all of their agents or servants against all liability whatsoever arising from any personal injury, death or damage or loss whatsoever caused directly or indirectly, in whole or in part, by any willful or negligent act or omission on the part of the Guest or those for whom the Guest is responsible.

H) The Guest agrees that he or she shall not solicit for commercial purposes Guests or others on board the Ship, or advertise goods or services on board the Ship without the prior written permission of Crystal Cruises. Solicitation by vendors of goods and services, including, but not limited to, solicitation by travel agents, is strictly forbidden.
photographers, entertainers, instructors, lecturers and others; ii) services, products or transportation provided elsewhere than on board the Ship which are furnished by others in connection with visas, passports, sightseeing tours, pre-cruise and post-cruise tours, excursions and shore trips, including, but not limited to, tender, whether arranged or organized by tour operators, travel agents or Crystal Cruises.

C) The independent contractors shall be entitled to charge for any products sold, services rendered, or transportation provided directly to the Guest or any representative of the Guest, through Crystal Cruises, for which services Crystal Cruises is entitled to impose a charge and earn a profit. Refunds will not be given for partially used services. No refund will be made for missed hotel nights or other program features due to airline delays or other factors beyond the control of Crystal Cruises. Hotel Programs and Extended Land Programs are subject to the same cancellation policy as described in “Cancellations Prior to Embarkation.”

D) Guest and Crystal agree and intend that all rights, exemptions from liability, defenses and immunities of whatsoever nature referred to in these Terms and Conditions applicable to Crystal Cruises and the Ship, including, but not limited to, Sections 5, 6, 7, 9.11, 11, 12.10, 18, 19, and 20, also apply for all business done by the Ship and Crystal in the capacities of third parties including: the Ship’s tenders, the officers, crew, pilots, agents or employees, and all concessionaires, independent contractors, physician and medical personnel, retail shop personnel, health and beauty staff, fitness staff, photographers, shore excursion providers, and ground transportation operators. The Guest hereby agrees to reimburse and indemnify Crystal for any and all claims, demands, losses, or other enjoyment of the Guest when the Guest is not aboard the Ship or while ashore off Crystal’s premises.

E) Crystal Cruises will arrange air transportation upon the Guest’s request as a separate service. If a Guest chooses this option, the Guest authorizes Crystal Cruises to select the air carrier, routing and schedule and to substitute charter flights for scheduled air or vice versa. If due to any cause beyond its control, Crystal Cruises is unable for any reason to provide air transportation or to arrange air travel, Crystal Cruises is liable only for any direct losses of, or any person deriving any rights or interest from the Guest, through Crystal Cruises, for which services Crystal Cruises is entitled to impose a charge and earn a profit. A WRITTEN CLAIM IS NOT MADE AND SUIT IS NOT FILED WITHIN 90 DAYS FROM THE DATE THAT THE GUEST DISMENBERKS FROM THE SHIP AND SERVED WITHIN 90 DAYS FROM THE DATE OF INITIATION OR THE GUEST WAIVES AND RELEASES ANY RIGHT HE OR SHE MAY HAVE TO MAKE A CLAIM AGAINST CRYSTAL CRUISES FOR ANY SUCH LOSS OR DAMAGE. 18. Liability Limitation for Loss of Life or Injury: A) Crystal Cruises hereby disclaims all liability to the Guest for damages for infliction of emotional distress, mental anguish or psychological injury of any kind under any circumstances, when such damages were not the result of physical injury to the Guest caused by the intentional misconduct of Crystal Cruises, nor the result of the Guest having been at actual risk of physical injury where such risk was caused nor intentionally inflicted by Crystal Cruises.

B) For cruises on the Rhine and its adjacent rivers, Crystal Cruises shall be entitled to any and all liability limitations, immunities and rights applicable to it for loss of or damage to luggage and property, death, illness and/or personal injury as provided under the Strasbourg Convention on the Limitations of Liability of Owners of Inland Navigation Vessels (1988) ("CLNI"). The CLNI limits Crystal Cruises' liability to 60,000 Units of Account or Special Drawing Rights, “SDRs” as defined by the International Monetary Fund (approximately $82,500 U.S. Dollars), which fluctuates depending on a daily exchange rate as published by the International Monetary Fund at http://www.imf.org/external/np/pp/fin/data/sms_sdr.aspx) multiplied by the number of Guests on the Ship according to its certificate is allowed to carry, not to exceed in any event more than 12 million Units of Account to apply to the aggregate of all claims arising against Crystal Cruises out of an occurrence.

C) For all other cruises, Crystal Cruises shall have the benefit of any limitation or immunity provided to the carrier of a particular vessel, as well as the benefit of any other applicable laws including, without limitation, the statutes of the United States of America providing for limitation and exoneration from liability and the procedures provided thereby, including but not limited to Title 46 of the United States Code sections 30501 through 30509, and 30511. Nothing in this Ticket is intended to nor shall it operate to limit the rights of the Guest as a passenger or to limit Crystal Cruises’ obligations from any cause.

D) Crystal shall not be liable for any injuries or damages which occur while participating in any athletic or recreational activities aboard the Ship or on shore at any port of call. By utilizing said facilities, the Guest agrees to assume all risks arising therefrom and does hereby fully release and discharge Crystal from any and all claims, demands, losses, inconvenience, or out-of-pocket costs of action for or on account of any such charges.

E) ASSUMPTION OF RISK: The Guest acknowledges that there are certain risks inherent in travel on rivers by Ship including the natural action of winds and currents, the movement of the Ship, storms, and the shifting of furniture, seating and objects aboard the Ship caused by wind and currents. The Guest acknowledges that Crystal is not the result of the Guest having been at actual risk of physical injury where an injury was caused nor intentionally inflicted by Crystal Cruises. The Guest acknowledges and assumes the risks inherent in travel in moving water, including the movement of the Ship in response to the wind and currents. The Guest acknowledges that there are certain risks inherent in the movement of the Ship in response to the wind and currents encountered during the voyage.

The Guest hereby consents to jurisdiction and waives any objection to venue or other objection that may be available to any such action or proceeding being brought in such courts. Neither party will have the right to a jury trial or to engage in pre-arbitration discovery except as provided in the applicable arbitration rules and herein, or otherwise to litigate the claim in any court (other than small claims court), the Arbitrator’s decision will be final and binding. Other rights that Guest or Crystal would have in court also may not be available in arbitration.

C) Class Action Waiver: This contract provides for the exclusive resolution of disputes through individual legal action or arbitration on Guest’s own behalf instead of through any class action. Even if the applicable law provides otherwise, Guest agrees that any lawsuit or arbitration against Crystal Cruises whatsoever shall be litigated by Guest individually and not as a member of any class or as part of a class action, and Guest expressly agrees to waive any law entitling Guest to participate in a class action. If Guest’s claim is subject to arbitration, the Arbitrator shall have no authority to arbitrate claims on a class action basis. Guest agrees that this class action waiver shall not be severable under any circumstances from the arbitration clause set forth above, and if for any reason this class action waiver is unenforceable as to any particular claim, then and only then such claim shall not be subject to arbitration.

E) In the event of an in rem proceeding against the Ship, the Guest irrevocably agrees that the posting of a letter of undertaking from any of Crystal’s insurers shall constitute an adequate and appropriate form of security for the immediate release of the Ship in lieu of arrest.

22. Interpretation: Should any provision of the Ticket be contrary to or invalid by virtue of the law of any jurisdiction or be so held by a court of competent jurisdiction, such provision shall be deemed to be severed from the Ticket and of no force and effect and all remaining provisions herein shall continue to be in full force and effect. The headings of the Ticket are for convenience of reference only and shall not define or limit any of the terms or provisions hereof. Whenever the context so requires, references to the male gender shall include references to the female, and references to the singular shall include the plural and vice versa.

23. Warranties/Consequential Damages Excluded: All Warranties including warranties of fitness for use and merchantability are expressly excluded from this agreement. Crystal Cruises shall not be liable for any indirect, special or consequential damages.

24. Notice Concerning Safety, Security and Health: Crystal Cruises endeavors at all times to exercise reasonable care for Guests’ comfort and safety on board its Ships. Crystal Cruises cannot guarantee freedom from all risks associated with war, terrorism, crime, health risks or other potential sources of harm. Crystal Cruises reminds all Guests that they must ultimately assume responsibility for their activities while ashore and for their other travel choices. The United States Department of State and government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agencies’ perceptions of risks to travelers. Crystal Cruises recommends that Guests and their travel agents obtain and consider such information when making travel decisions.
