HAWAII (THE BIG ISLAND)
Hawaii is the youngest island, but don’t let that fool you. It’s also the biggest and home to one of the most active volcanoes in the world. A mix of fire and water, the lava flowing into the ocean is a sight fit for a bucket list. Swim with sea turtles, wonder at beaches of white, green, black, and red sand, and experience 11 of the world’s 13 climate zones.

OAHU
Oahu is a Hawaiian classic, boasting some of the most famous island attractions. Check out Waikiki Beach, Diamond Head Crater, Iolani Palace and the Pearl Harbor Memorial. In Honolulu, you’ll find top-notch shopping, nightlife and fantastic restaurants alongside a range of beautiful resorts. Plus, the ocean view spreads for days.

KAUAI
Find your zen in Kauai, Hawaii’s “Garden Isle.” Lush and peaceful, the picturesque towns and floral landscapes will take your breath away. Perfect for romance and escapism alike, you can relax as you stroll through picturesque towns like Koloa, Hanalei and Lihue to learn about the island’s rich history and pick out unique souvenirs.

MAUI
Adventure seeker? Maui is the island for you. Bike down a volcano, tour a winery and watch humpback whales breach while the sun sets. Beautiful historic sights and plenty of activities make this island a mover and shaker’s dream and the Valley Isle combines the best parts of each island to create one stunning package.
