

Enjoy the tantalizing turquoise waters of the Caribbean at a cozy 5-star resort with newly refurbished Suites, where warm hospitality and personalized service are the trademarks. Removed from hustling crowds and bursting with thrilling activities for kids, this resort is very much like an authentic Mexican village, with traditional architecture and a quiet atmosphere to afford all the privacy you seek. Its superb location in Punta Cancun makes it only 25 minutes away from the airport and walking distance from all the main attractions, the best nightclubs, restaurants and shopping malls.

## ACCOMMODATIONS

- High-end shopping and dining

## ATTRACTIONS

### Xcaret

Cancun's main attraction is a master combination of culture and nature. Here, you will find high-quality entertainment and plenty of water, jungle and beach adventures to choose from.

### Tulum / Xel-Há

Tulum is a seaside archeological showcase of Mayan culture, whereas Xel-Há is famous for its calm, shallow waters that make it ideal for scuba diving and snorkeling. You will also find several excellent restaurants and many places to simply relax and enjoy breathtaking views.
